

CHANGES TO INTERNATIONAL CONFERENCE
MODERN TRENDS OF FIRE PROTECTION IN ROLLING STOCK

Dear Sir or Madam,

Due to the unknown development of the third wave of the COVID-19 pandemic and the inability to 100% ensure the planned course of the Conference (availability of speakers and technical security, including simultaneous translation), we decided with the Scientific Committee and Event Partners to cancel the on-line platform Conference scheduled for May 26-27, 2021.

We invite you to participate in the Conference on May 10-11, 2022, when we hope we will be able to meet in real life.

More details will be announced soon.
